SOUTH SHORE ART CENTER

Proceeds from **SCORE!** Gala support the exhibitions and education programs of South Shore Art Center.

Dear Friends of South Shore Art Center,

For over 55 years, South Shore Art Center has nurtured the growth of creativity in children and adults through exhibitions, educational outreach programs, and courses and workshops.

Your participation in this evening's program is very much appreciated. We hope you will find opportunities to further enjoy the Art Center—whether through classes, exhibition openings, or a visit to our galleries. We are confident you will find inspiration!

This evening would not be possible without the efforts of Heidi Condon, Vcevy Strekalovsky and the **SCORE!** Committee, as well as SSAC board members and advisors who assisted in securing auction items. Special thanks to Lisa Lynch from Ports who organized tonight's fashion runway, Valerie King of Kings Jewelers who coordinated the gift bags, and Rhonda Kallman of New Century Brewing.

Enjoy!
