

327 "Alla Prima" Still Life
Dianne Panarelli Miller

STUDENTS WILL WORK OUTSIDE – WEATHER PERMITTING.

Always use the best equipment you can afford.

Oil Paint:

Rembrandt paint: Cadmium Red Medium, Cadmium Lemon Yellow, Cadmium Yellow Deep, Yellow Ochre, Viridian Green, Cerulean Blue, Ultramarine Blue and Titanium White
Winsor Newton Artist Series: Alizarin Crimson

Brushes, canvas, 8 x 10 or 9 x 12 (Fredrix panels are great for this class), easel, paper towels, odorless turpentine and a mirror and anything else you may need to paint.

Please note:

A lot of people buy their supplies at Michael's which has a lot of Winton. Winton is not the best paint to start with. It costs less, but you use more. Try to find Winsor Newton ARTIST'S SERIES or Rembrandt Oil Paint. These are the best paint for the least amount. Here are two websites that will deliver in a week and are much less than Michael's.
